Stolen Vehicle – Arrest

On Friday, September 2nd, 2016 at approximately 12:22 P.M., the Woodstock Police Department responded to a residence located in the 600 block of Dane Street, Woodstock, IL, in reference to a resident of that address having his vehicle stolen from the driveway.

Responding Patrol Officers learned that the victim had parked his vehicle (a 1999, gray Chevy truck) in the driveway around midnight the evening before. The victim left the vehicle unsecured with the keys in it. Upon attempting to use the vehicle the next day, he observed that it was missing from the driveway. Officers learned that a subject driving a vehicle matching the description of the stolen vehicle had also stolen gas from the Kelley Williamson Mobil Gas Station (1144 North Seminary Ave., Woodstock) at approximately 3:01 A.M. earlier the same day.

Later on in the day, at approximately 4:06 P.M., a call of a suspicious vehicle driving erratically in the area of Beech Street near Jewett Street was received. The caller reported that a male, Black subject parked a truck on the side of the road and ran from the area. Officers learned that the truck was the same truck reported as stolen from 609 Dane Street. Responding officers also subsequently located the subject who had fled from the truck. The subject was identified as a juvenile with an extensive criminal history. This juvenile subject is suspected of additional vehicle thefts in Woodstock that were reported within the last few weeks.

Considering the previous criminal history of this juvenile suspect and after conferring with the McHenry County States Attorney's Office and with the McHenry County Court Services, the suspect was detained and transported to the Kane County Juvenile Justice Center pending a detention hearing on 09-06-16 at the McHenry County Government Center.
